Dear Mr Schmidt

Re: Licence to Export Live-stock – L0759

Thank you for your livestock export licence application. I am writing to advise that you have been granted a licence to export sheep, goats and cattle, by air and sea pursuant to Section 10 of the *Australian Meat and Live-stock Industry Act 1997*.

Please find enclosed a copy of Regulation 18 of the *Australian Meat and Live-stock Industry (Export Licensing) Regulations 1998* detailing the conditions that apply to this licence.

The period for your licence is twelve (12) months from **6/08/2019 to 6/08/2020**.

The following conditions have been applied to your licence:

- Export of goats by sea are restricted to a duration of less than 10 days.
- You are required to ensure department approved whistleblower hotline posters are displayed at your business premises, on or at all registered premises, vessels and ports used for the export of livestock from Australia.
- You will be audited by the department during the licence period.

You must have a valid Approved Arrangement in place before commencing preparation or export of livestock. Please note you may not prepare livestock for export until you are advised by the department in writing that your Approved Arrangement has been approved.

You are responsible for understanding the process for renewing or varying your licence and the levies and fees charged for all livestock export services provided by the department.
